Vice President SPACES

SPACES IN NUMBERS

c. £25_{bn}

Our membership is involved in the delivery of £25bn of public works per annum

Our Yearbook is distributed to all local authorities in the UK

We engage with over 10,000 professionals involved in public building works

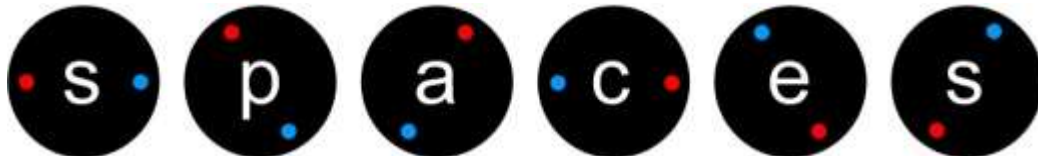

We are the only national group that involves clients, consultants, contractors, managers and maintainers of public buildings

Our 2017 Study day attracted 130 delegates from across all parts of the property cycle nationwide

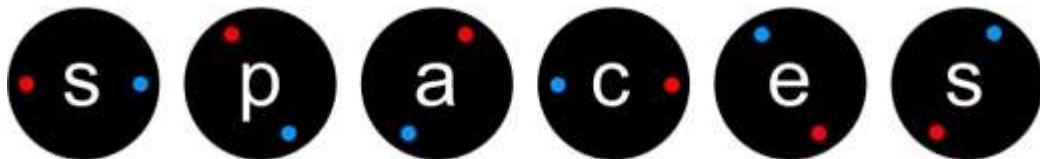

Our members deliver projects for all parts of the public sector in the UK

MANCHESTER SCHOOL OF ARCHITECTURE

Manchester School of Architecture (MSA) is an innovative collaboration between Manchester Metropolitan University and The University of Manchester, uniting two schools of architecture with over 100 years of educational experience to create one of the largest architecture schools in the UK.

Thank You

To all that have helped make this
event a success.

Forthcoming Events

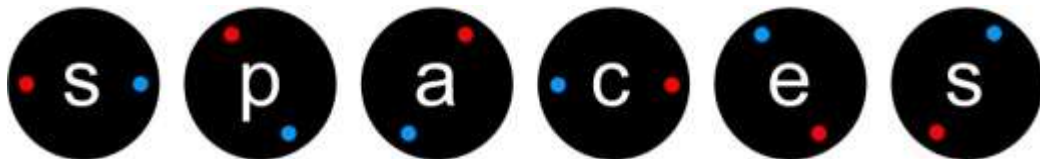

Young Visionary Award 2018

- * In 2017 SPACES created a Young Visionary Award to celebrate the good work being carried out by younger construction professionals (aged 18-30) within the public sector built environment. It is a celebration across a range of disciplines and spanning both private and public sector. Entry closing date 6 July 2018

The SPACES President's Dinner and Annual Awards

- * Thursday 11th October 2018 at the Hilton Cambridge City Centre, 20 Downing Street, Cambridge

Regional meetings

Have a safe journey home.
