ARTWORK

Adverts need to be supplied as print-ready PDFs without crop marks allowing for a text exclusion zone of 10mm to the edge of your advert. Fonts must be outlined. We will also accept high resolution JPEGs at a minimum of 300dpi at full size. Adverts less than full page will be grouped with other advertisers. We reserve the right to reject adverts we deem inappropriate. Artwork not supplied to these specifications will be at your own risk.
